

11th Western Pacific Congress on Chemotherapy and Infectious Diseases

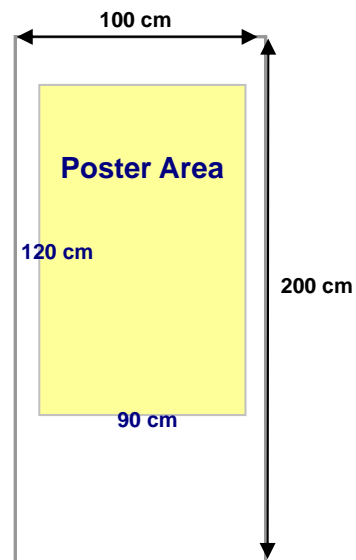

November 29 - December 03, 2008, Taipei, Taiwan

POSTER PRESENTATION INSTRUCTIONS

The purpose of the poster sessions is to offer another type of opportunity to present up-to-date researches, new ideas, or best practices. Following the suggested format below, it is more likely that you will be able to meet and discuss your work with attendees who have a direct interest and knowledge in the same area.

❖ Poster Display

Display boards (100cm wide by 200cm high) will be available for your presentation. The paper number will be mounted on the top of the board by the conference staff. The poster should be measured within horizontally 90cm max. and vertically 120cm max.

❖ Prepare your poster including the following sections:

1. Title of the paper, author names and affiliations centered at the top of the poster
2. Abstract using the headings "Introduction/ Background", "Methods", "Results" and "Conclusions".
3. The text of your presentation should be visible from 3 feet away.

Therefore, you should use a large font (20 point or larger) for the primary text, and an even larger font for headings.

4. In order to ensure a high-quality presentation, all poster materials must be in printed form.

❖ Mounting and Removal

Presenting authors are required to set up their materials at designated hours (see below), using the adhesive tape provided on site. No paste, glue, thumbtacks or staples are permitted. Authors who wish to keep their posters should remove them after the presentation. The organizer shall dispose all posters left after 19:00 daily during the congress period.
